GHS Board Meeting Minutes

October 11, 2022

10:00 AM

At Greensboro Free Library and on Zoom

**Attending:** BJ Gray, Nancy Hill, Lise Armstrong, Jenny Stoner, Paula Harmon, Kyle Gray, Clive Gray, Renée Circosta, Amelia Circosta, Gail Sangree, Willie Smith, Martha Niemi, Debbie Kasper, Leslie Rowell, and Erika Karp

President BJ Gray called the meeting to order at 10:05. (Several attended on Zoom.)

**History Moment** – BJ gave an appreciation of the life of Judy Dales, who died on Sunday. Among her many contributions to the community, she edited our newsletter for several years and managed our mailing list for many years. BJ will send a card on behalf of the GHS.

**President's Report** – BJ thanked Nancy and Alison for hosting the homeschool group's tour of the summer exhibit and the History Explorer Walk in the Village. Fan Watkinson, who won the history walk raffle prize of a \$35 gift certificate to Wilson's farmstead, gave it to the woman at Willey's whose house just burned down. BJ also suggested that we create a bullet list report before each meeting to help participants prepare and to make the meetings more efficient.

**Secretary's Report** – The minutes of the September meeting were approved.

**Treasurer's Report** – Lise presented a detailed report with both a Profit & Loss statement and Actual vs. Budgeted data. We are still waiting for some of the bills for the summer exhibit to arrive. Renée will coordinate with Spark to get the final bill and then Kyle will submit his related expenses. Renée will also get information necessary to decide whether and how to continue our Spark membership. Nancy and Jenny offered to help prepare the budget for 2023. Lise will pick up the check for the Town appropriation from last year, and the letter requesting funds from the Town for next year is ready to submit.

**Ideas for March program** – After animated discussion it was agreed to focus on the history of winter recreation in the community, especially skiing and ice fishing. A committee of Amelia, Erika, Renée and BJ will develop the ideas to bring an overview of the program to our November meeting.
